week
impact
deliveries
nurse
everyone
came
human
kept
unit
way
later
hard
worried
intense
talked
guess
come
overwhelming
done
patients
call
thinking
haunted
differently
afterwards
maybe
many
loneliness
feelings
talking
huge
started
bad
think
went
helped
problem
involved
anything
reason
induction
anymore
horrible
family
always
thought
difficult
sad
totally
little
terrified
afraid
several
different
wanted
now
case
understand
felt
staff
room
physician
awful
ashamed
right
already
made
night
fearful
error
cried
personally
profound
keep
put
sadness
lonely
cryingget
best
try
situation
told
mother
work
tremendous
new
thing
day
course
probably
tell
wrong
home
knew
professionally
go
event
nightmares
hurt
Attending
take
remember
disappointed
emotional
scared
alone
big
sure
care
extreme
memories
next
find
couple
medicine
look
kind
resident
patient
guilt
ICU
first
see
child
want
never
days
people
OB
encounter
given
heart
every
talk
obviously
happen
back
feel
else
worry
need
guilty
nobody
consulted
insomnia
start
without
professional
earlier
